A. M. ROSS, Treasurer.

School Supt.'s Report.

To the S. S. Committee and Citizens of the Town of Lincolnville,
I hereby submit my Report as Superintendent of Schools:

Another school year has been completed and much good, conscientious work has been accomplished.

The real results in successful school work, must, after all, depend upon the teacher, so we have endeavored to place teachers in schools who were well qualified and who would have the best interests of the school at heart. With one exception all our teachers have had previous experience, and some of them have taught many years.

The Beach, Center and Miller Schools have had the same teacher throughout the year. Wiley and Youngtown had the same teacher for two terms, and the Hills has had a change each term.

The schools were maintained 29 weeks for the year in every case except the Beach, which, owing to sickness, had but $26\frac{1}{2}$.

All the school-houses in town, that are in use, are in very good condition, and need only a few minor repairs.

New seats and floor were placed in the Center school-house last year.

I would recommend a change in histories, as ours have been in use some time and are in bad condition.

During the past year we are glad to note that the parents and others have exhibited more interest in the schools and have visited them more frequently. We trust this interest will go on increasing.

The following table shows the registration and attendance of pupils during the past year:

SCHOOL	SPRING TERM		FALL TERM		WINTER TERM	
	Whole No.	Av. No.	Whole No.	Av. No.	Whole No.	Av. No.
Center	28	25	30	26	31	24
Hills	20	15	15	10	10	8
Miller	15	14	15	13	13	10
Beach	32	29	34	31	37	30
Wiley	23	19	15	12	13	8
Youngtown	18	15	18	16	19	17

Respectfully submitted,

SARAH F. KNIGHT,

Superintendent of Schools.
